3,000+
vendors of healthcare services

50+
Centres of Excellence worldwide

01 What you gain as a partner

SHARED INFRASTRUCTURE

Secure Tadabase platform
Patient documents and records in one secure online system

Work management
Cases, care plans, tasks and visits organized in one place

Billing
Invoicing for your private-pay services, built into the platform

Shared infrastructure
The operational backbone of an established firm, behind your practice

AT THE CENTRE
Your nursing practice
and the patients who rely on you

CLINICAL NETWORK

Nurse practitioners
Clinical support, assessments and orders when your patient needs them

Physicians
Medical oversight and consults to address complexity

4,000+ specialists
Access to specialists and 50+ Centres of Excellence globally

3,000+ healthcare vendors
The services your patients need, sourced through one network

02 From complexity to resolution, faster

You stay the patient's nurse. RCM Health opens the doors that expedite care, consults and surgeries.

YOU
Assess the need
Your patient presents a concern beyond routine care.

YOU
Escalate in one step
Open the case and share records securely in the platform.

RCM HEALTH
Clinical review
Our nurse practitioners and physicians weigh in.

RCM HEALTH
Expedited access
Consults, diagnostics and surgery through our network.

YOU
Continuity of care
You coordinate recovery and follow-up at home.

Join the RCM Health Nurse Network

- ✓ Offer your patients a complete range of services
- ✓ Take on complex cases with clinical backup
- ✓ Spend more time on patients and less on administration
